Introduction

The Pentagon Library offers several options for accessing online journals, newsletters, and magazines from your desktop. These options include ProQuest, EBSCOHost, First Search, InfoTrac OneFile and JSTOR.

ProQuest

Provides access to business, military, and a wide variety of other subject area journals and magazines in the form of indexes and abstracts, and some full text and image documents.

EBSCO Host

Indexes general periodicals and full text articles from these databases: Academic Search Premier, Business Source Premier, Military & Government Collection and Regional Business News.

Introduction

(Continued)

First Search

Produced by OCLC, a collection of databases covering a wide range of topics with many full-text articles.

InfoTrac OneFile

Updated daily. Provides access to periodical and news information on a diverse set of topics. The full-text for some titles may be subject to publisher-imposed embargo periods.

JSTOR

Multidisciplinary Collections. Archival full-text database of scholarly journals.
